

SCOTT BILLADEAU BIO

Scott served on the music composition faculty at the University of Montana from 1997-2002. He received a regional EMMY nomination for his PBS soundtrack to *Silence & Solitude*, as well as a Gold ADDY for commercial music.

In 2017 he completed the score to *Yellowstone in Four Seasons*, first premiered on MT PBS. His orchestral arrangement of 'The Last Best Place' was performed by the Missoula Symphony in 2019, and the first performance of his chamber music work 'Dia En La Vida' was performed by the Los Angeles-based Quarteto Nuevo in 2021.

Scott is also known as the founder and entrepreneur behind Liquid Planet, Planetary Design, and the Pangea Restaurant Group.
